Dear Parents and Carers

Expression of Interest for Lake Keepit 5/6 Excursion

Mrs Light would like to take the 5/6 class to Lake Keepit during Term 4 2023. This is a very valuable excursion which teaches children about resilience over a week of great activities such as canoeing, rock walls, mud runs, archery, climbing ropes, abseiling, raft building, pool games and water slide to name a few.

For a 5 day/4-night excursion it would cost approximately \$500 which includes all meals, accommodation and activities. The school bus would be used so a small fee may be required for that. If you are interested in less days for the excursion with less cost and activities, please indicate on the return note below.

A payment plan beginning Term 2 would be set up by Ms West in the office so the excursion could be paid off over the year.

Please indicate below your preferences so a decision can be made to book the excursion by returning the note by **Friday 10 February 2023** to Mrs Light.
