27th February 2023

Dear Parents/Carers

At Bundarra Central school we are developing a framework that brings together the whole-school community to contribute to developing a positive, safe and supportive learning culture that is a respectful one.

Respect, at Bundarra Central School we:

- Treat one another with dignity
- Speak and behave courteously, **the use of inappropriate language will not be tolerated**
- Respect other students, their teachers and school staff and community members
- Develop positive and respectful relationships and think about the effect on relationships before acting
- Value the interests, ability, and culture of others
- Dress appropriately by complying with the school uniform or dress code
- Respect all property

Bundarra Central School will support the development of skills needed by students to meet our high standards for respectful, safe and engaged behaviour. **Our school will take strong action in response to behaviour that is detrimental to self or others or to the achievement of high quality teaching and learning.**

Having a strong and mutually respectful relationship with your child's school and teachers, you are in a good position to advocate for your child. Your child's teachers and other school staff will work together with you and support your child's learning and wellbeing.

When everybody is working together in the best interests of your child, he or she is likely to reap academic and social benefits, such as:

- a positive attitude towards school
- regular school attendance
- positive school results
- positive social and relationship skills
- a sense of wellbeing

Mr Justin Stewart
Relieving Principal
