Sam

Sam is a teenager and she got kicked out of home. Sam is now homeless because she got kicked out.

~~Sam~~

Sam has a dirty ^{old} raggy torn up shirt, ripped dirty jeans and a big blue, yellow, purple and brown bruise covering her face. She has short messy hair and it is dirty. Sam has old dirty boots and she is cold. Sam has young smooth skin. Sam is hungry and dirty. Sam would not have had a shower in a long time. Sam is sad, happy and angry. Sam is happy because she is not being abused anymore. She is angry because she has no one that cares about her. And sad because she has nothing.
