7th February 2022

Dear Parents/Caregivers

STAGE 5 FOOD TECHNOLOGY 2022

Your child has chosen Food Technology as one of their electives for 2022.

As this is a practical subject a fee of \$30.00 per term (\$120.00 per year) is required. This fee contributes to the cost of groceries and equipment used each practical lesson. Payment for Term 1 will be due by 21st February 2022.

It is a requirement of the Department of Education that leather upper shoes are required for all practical lessons. Students are also required to bring a container on practical days if they are taking their cooked items home.

If fees are unpaid by the 21st February your child's placement in this course will be reconsidered.

Please sign and return the slip below by Friday, 11th February 2022.

Kind regards

Mr Shaun Taylor
Head Teacher Secondary Studies
